

Chapter 1 Project

You will create your own survey using google docs. Once the survey is completed, you will need at least 31 other people to take your survey.

Your Survey Guidelines:

- 1) Make it school appropriate
- 2) Have at least 5 questions
- 3) Have at least 31 people take your survey
- 4) Make your survey something that you can relate to... make it practical

Steps

- 1) Go to www.google.com
- 2) Either log into your Google email account or create a new Google email account
- 3) Now we will watch a video on how to make a survey in Google docs
